# WHO WE ARE

The UBC Computer Science Student Society (CSSS) represents the student body of one of Canada's leading computer science programs, consistently ranking among the Top 3 nationwide.

Our mandate is to create meaningful social, academic, and career opportunities for our students. Each year, we partner with a wide range of organizations—from local startups to Fortune 500 companies—to connect students with diverse career paths. Through more than 25 annual events, many held in collaboration with industry partners, we bring together talented students and company representatives seeking to build the next generation of tech leaders.

## THE TCF

In collaboration with campus tech groups that champion women and LGBTQ+ students, this year's Technical Career Fair (TCF) will spotlight both technical excellence and diverse talent. This in-person event will give your company the chance to connect with UBC's top tech talent, build relationships with other industry leaders, and strengthen your presence within the campus community. Don't miss this opportunity—secure your spot at the TCF today!

**1200+**

TCF  
Attendees in 2025

**30+**

TCF Participating  
Companies in 2025

**15**

Industries  
Represented in 2025

# EVENT DETAILS

We're excited to host an on-campus career fair connecting leading tech employers with top-tier UBC talent. Meet candidates face-to-face, showcase your opportunities, and build relationships that support your hiring goals.

<b>Date</b>	<b>Time</b>	<b>Location</b>
Jan 29, 2026	10 am - 4 pm	AMS Great Hall

## PRICING

When you participate in the TCF, you will be provided with a 8x8 booth. Each booth includes power outlets, and catered lunches. Pricing (in CAD) is based on your organization's size, as determined by number of employees. Register NOW to take advantage of Early Bird pricing and **save up to \$150** off your registration fee. Early Bird rates are available until **November 14, 2025**.

REGISTRATION DEADLINE	SMALL (1-499 EMPLOYEES)	LARGE (500+ EMPLOYEES)
<b>EARLY BIRD</b>	\$500	\$650
<b>REGULAR</b>	\$650	\$800

# WHY ATTEND?

The TCF is your gateway to UBC's brightest tech talent—all in one energetic, on-campus event. Meet students face-to-face, experience the campus culture and make an immediate impression that stands out in today's competitive hiring market.

## 1 Access to Broad Campus Talent

Meet students exploring co-op roles and those ready for full-time positions

## 2 Brand Presence

Increase your company's campus presence with a booth, in-person engagement, and optional swag

## 3 Meaningful Candidate Interactions

Have conversations that give you a clearer sense of each student's skills, personality, and fit

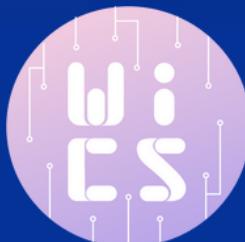

## 4 Peer Networking

Connect with other leading employers and explore potential partnerships while on campus

# OUR PARTNERS

The UBC Computer Science Student Society is proud to collaborate with three affiliate clubs and the CS Department to bring this year's TCF to life. Learn more about their missions and initiatives below!

## Women in Computer Science (WiCS)

Instagram: @ubcwics

Website: <https://www.ubcwics.com/>

Email: ubcwics@gmail.com

Women in Computer Science (WiCS) is a student-run inclusion and diversity group at UBC that addresses the gender underrepresentation problem in Computer Science. We strive to build a strong community dedicated to celebrating diversity and to foster inclusive environments for students studying computer science.

## Women in Data Science (WiDS@UBC)

Instagram: @widsubc

Website: <https://www.ubcwids.com/>

Email: widsubc@gmail.com

Women in Data Science (WiDS@UBC) is a women-led student organization at UBC committed to empowering, inspiring, and connecting women in Data Science, while building a supportive community for women in technology at UBC. Through networking events, hackathons, wellness socials, case competitions and more, we provide practical learning opportunities and support career growth for our members.

## Queer Coded (QC)

Instagram: @qcubc

Website: <https://queercoded.ca/>

Email: queercodedubc@gmail.com

Queer Coded is a resource group in the Department of Computer Science at the University of British Columbia aimed at supporting LGBTQ+ students in Computer Science and Tech adjacent fields. Our goal is to provide support to minority students and build a safe and welcoming community.

## UBC Department of Computer Science

Instagram: @ubc\_cp\_sc

Website: <https://www.cs.ubc.ca/>

Email: mng@cs.ubc.ca

UBC's Department of Computer Science is one of the top two Computer Science departments in Canada. UBC is ranked as one of the world's top 25 universities for Computer Science. Recognized internationally for excellence in research and teaching with a conscious focus on interdisciplinary programs, the Department encourages diversity both within its community and areas of study.
