UBC CSSS General Events Partnership Package

General Career Events

If you're interested in sponsoring general (non-Technical Career Fair) events, the base rate is **$500 per event.** Discounts are available based on the following model:

Event	Discount
First event	N/A
Second event	$200 discount
Third event and beyond	$250 discount

Under this discount policy, our flagship Technical Career Fair (TCF), which takes place every January, will be treated as an event. Accordingly, any eligible discounts will also apply to the TCF.

Additional Details on Hosting General Events

- Events can take place anytime during the academic year: September 1, 2025 - April 30, 2026
- Additional sponsorship may be required depending on the nature of the event, (e.g., contributing to hackathon prizes)
- If you're interested in other partnerships (e.g., scholarships, office tours), please reach out — the CSSS is open to discussing opportunities

Examples of Company-Sponsored Events

- **Career Workshop Series:** We offer workshops on resumes, networking, AI, startups, and more. Partner with us to host a workshop and receive ongoing invitations to related events.
- **Company-Sponsored Competitions:** We help host company-specific competitions, such as hackathons, case competitions, and coding contests, based on interest.

Benefits of CSSS Partnership

- Highlight your company and team at CSSS events
- Spot top talent at various CSSS competitions and events
- Foster early-career growth and nurture potential teammates from UBC students

Stats

2900+ society members; 1000+ TCF attendees. UBC CS By the Numbers
